He also provides her a marital home and food in Fairfield Iowa. Oksana called General Manager J u d y T. to forcefully enter S316 and force Fred to return to Fairfield. Police concluded no "trespassing" occurred and he could stay in DC. US Constitution and DC Laws trump HS Bylaws. video (unlisted .MP4)

Self-appointed "Judge Judy" backed off upon hearing that the case will be ruled on at a hearing by a real DC Judge on October 9, 2025.

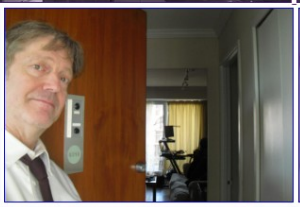

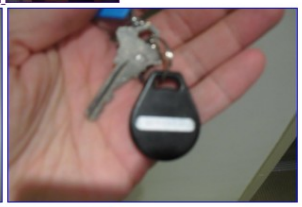

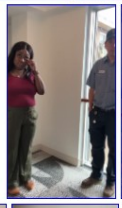

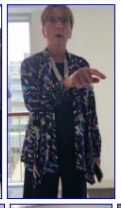

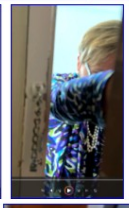

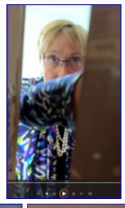

If will be cited as a precedent. According to Flynn title company many spouses, men and women, at Harbour Square did not sign the title documents and can be accused of trespassing in their own home.

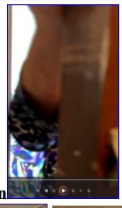

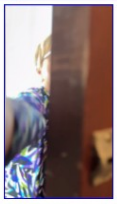

Now, Owners can evict his or her spouse by ordering (by phone) the locks and elevator fob code to be changed by Management. Even if the spouse pays the expenses.
