

Fake 911 Calls by Oksana Shemet Shaddock
For the purpose of husband manipulation, harassment, and extortion - not emergencies
Symptoms of hormonal changes, menopausal mood swings, and Dual Identity Disorder (DID)
Anasko - Oksana

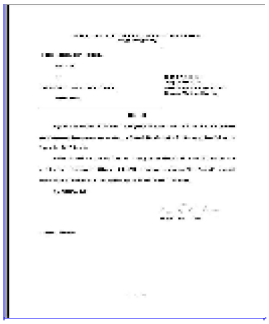

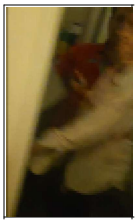

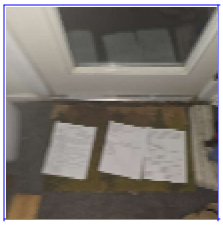

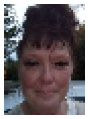

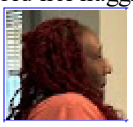

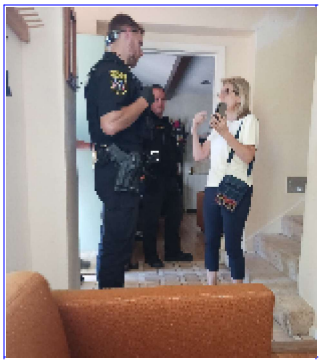

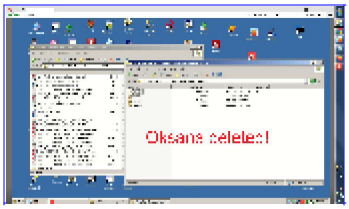

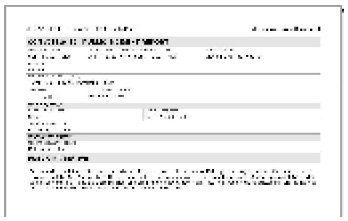

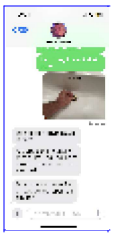

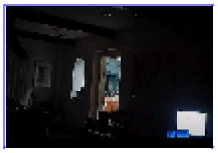

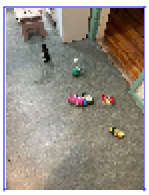

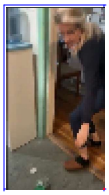

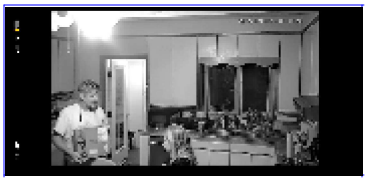

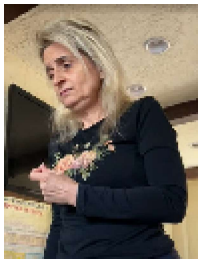

Oksana is her nice personality who says she wants Frederick to stay married to her.
But Anasko (spelled backwards) threatens to make Fake 911 Calls for Divorce leverage and to punish Frederick for not staying with her at their DC condo or Iowa house
As a small person she is giddy with the power she thinks her ability to call 911 for a free protector, at tax payer expense.

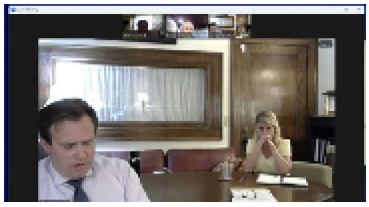

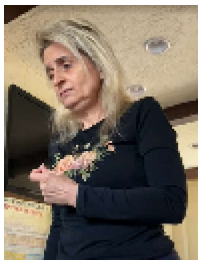

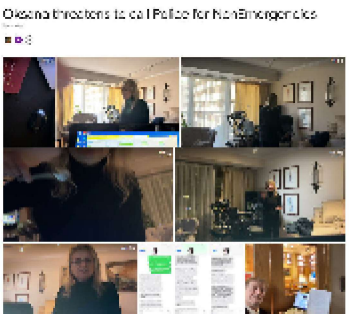

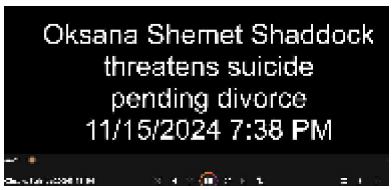

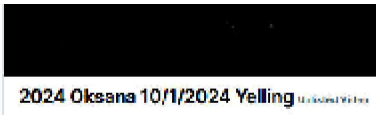

Disclaimer	This is not a medical diagnosis, but a list of symptoms, such as extreme mood swings, from very nice to very mean. Pattern of verbally abusive and threatening behavior, followed by periods of remorse and claims to not recall the incident. This cycle is documented in emails/texts and culminated in her making fraudulent reports to law enforcement. Possible symptoms of menopause. Dual Identity Disorder (DID) - dual personalities: **Oksana** (nice) and **Anasko** (mean) Also known as Dissociative Identity Disorder my.clevelandclinic.org/health/diseases/9792-Dissociative-Identity-Disorder-multiple-personality-disorder

33	10-27-2025	   4 days before the Marital Property Hearing before Judge Carl Ross on October 31. Oksana called her friend Mary Jones in Fairfield Iowa who called 911 from 1000 miles away for a non-emergency complaint against husband Frederick. 3 DC Metropolitan Police responded to the marital apartment DC Metropolitan Police Report: **CCN #25163569** On the listed date and time, MPD officers responded to the listed location in reference to a domestic disturbance. Officers spoke with SB-1 and SB-2 on scene who both reported that nothing physical happened and that they were involved in a verbal argument. SB-1 reported that SB-2 repeatedly insulted her. SB-1 wanted SB-2 to leave the location because of the verbal insults. No probable cause was found that an offense was committed.	 
32	10-27-2025	  Oksana caused 911 call about Mary Jones and Chris Haggard entering the Iowa house at 806 North 4th Fairfield Iowa and removing paintings that are marital assets against Frederick Shaddock. Jonitka Scott was accused of not being a valid tenant, but she was, and still is. Police were again called to the house for non-emergency reasons PD2506908	
31	10-19-2025 1:00 pm	Oksana threatens to come from the Fairfield house to the DC condo to disrupt the hearing before Judge Carl Ross via Webex by trying to "do it right" this time, to get the DC Police to remove him from the marital DC condo. 30	10-4-2025 9:30 pm	Oksana made a threat to interfere with the October 9 hearing by changing the DC condo password. She is at the marital Fairfield Iowa house, where she enjoys full access to the internet with Liberty Communications, paid by Frederick. Frederick is staying away from her, at their marital Harbour Square condo S-316 to avoid a false 911 call on the hearing in DC on October 9 before Judge Carl Ross about a *Lis Pendens* on S-316 and equal rights of access to a condo he pays for. Oksana through the XFinity Portal changed the WiFi password from 1000 miles away. Frederick has not done the same to Oksana. Frederick is all set to dial in to WebEx and everything works. Oksana has good internet too in the Fairfield Iowa marital house but texted that she is flying from Iowa to DC by October 7. She will likely interfere with Frederick's ability to get back into S-316 by simply chain bolting the door from inside then calling the DC Police and pretending to be a victim - an extra-judicial immediate eviction.. Frederick requests a Stay Away Order from Judge Ross to each stay in our present locations to ensure a proper hearing on October 9 via 20251009HearingTRO.pdf https://dccourts.webex.com/meet/ctb200 This follows her pattern of interfering with Frederick's internet to cause him to miss the 3/31/2025 Court meeting by Zoom Here are her phone recordings. Exhibit O: OksanaObtructOct9 DC is a one side recordering jurisciction plus she was warned that her calls to Frederick may be played for the Judge.	
29	9-28-2025 9-24-2025 11:00 pm	To stop Oksana from calling 911 for no reason, Frederick files a Motion to the Court to tell her to stop. Lewis, acting as a Process Server, brought the papers to her marital Iowa house. Ironically, Oksana threatened to call 911 on the Process Server for "trespassing". video/OksanaServed on 9-26-2025 Accepted by the Court and scheduled for trial	 
28	9-28-2025 4:00 pm 	Oksana the 911 Nut calls the Police to her marital home to report a tenant who she does not like - a Black lady Joni. She also accuses them of being "druggies" when Oksana takes all kinds of pills.   Fairfield Police Department report number: **PD 2506260**. Another waste of Law Enforcement resources. Husband Frederick Shaddock was at their marital condo in Washington DC 1000 miles away to avoid her nagging and potential false accusations.   	
27	9-23-2025 10:00 pm	Oksana calls Harbour Square Security officer Van to ask Frederick to leave, knowing full well that the DC Police did not find cause for removal of a co-paying spouse. Oksana called 1000 miles from the Fairfield Iowa home to the H.S. Guard house in DC not to let Door Dash bring Frederick's groceries to their home at S-316 Oksana received a book by UPS on 7/17/2025 but refused to let Frederick bring the book to the apartment	 
26	9-18-2025 10:00 pm	Oksana went into Frederick's basement computer office and started deleting his divorce related documents. Frederick was logged in and working from remote at their marital condo 1000 miles away in Washington, DC. After a mouse pointer competition, Frederick was able to log out of the computer Oksana does not have the password to. Oksana shut of 6 of Frederick's 18 computers, ones he was working on for customers. Frederick asked Lewis a time friend of him and Oksana for over 20 years, to turn the computers back on. Oksana saw him on his way to the basement office and called 911. Lewis left peacefully. Officers Hackbarth and Anderson responded, interviewed both sides, and concluded that Oksana was calling for a non-

25	9-11-2025 5:00 pm Remember 9/11	  Frederick flew to their marital condo in Washington DC, 1000 miles away. But that was not far enough. Oksana called the General Manager of Harbour Square and asked her to remove Frederick and make him fly back to her in their marital house in Fairfield, Iowa. She accused him of being a "trespasser" in a home he largely paid for. An attempted home jacking occurred, but 2 DC Police Officers (G l e d i o n Goci and T u r o n Fuller) interviewed both sides, looked at Frederick's papers, and concluded that no crime occurred, and left. On the anniversary of 9/11 there was another attack, this time on Frederick's freedoms and homeland. http://911HomeJack.com password: Mantra DC Metropolitan Police Report, CCN# 25139139: PublicPacket-25139139.pdf	
24	9/10/2025 text	Oksana texts that she will also call the Police on nice, law abiding, tenant Ana "Are ypu coming back? When? I will call police to make sure anna snd he is aforised" Translation: "Are you coming back (from DC to Iowa). When? I will call Police to make sure Ana and he (Ron) is authorized.."	
23	9-8-2025 8:20 pm	Oksana threatens to call the Police again Oksana comes home, slams the door, the threatens to call the Police for no reason. *I will go to Police and report you. I think I didn't do it yet, which is why I have no much problems. You have to live in jail.*	
22	9-8-2025 5:30 pm	Oksana is calm in the kitchen then "Anasko" goes into a wild tantrum and intentionally spills about 10 bottles of Frederick's medicine off the shelf, and refuses to pick the bottles up. Minutes later, Oksana has **no memory** of what Anasko did. Then she calls for her Daddy. She then threatened to make a false Police report against Fred and peaceful tenant Ana for "insult" (she confuses with the word "assault"). Iowa Code 718.6 and 711.4(3) b. Frederick assumed she would log in from her 2nd floor office room. 13	10-1-2024	2024 Oksana_Yelling - Oksana ignores Judge's ruling that the October 7 hearing about a Stay Away Order be done via Zoom, leaves the luxury condo in DC, buys a ticket, and flies 1000 miles to the Iowa house for Frederick's "birthday present".. She caused a tenant lady want to move her stuff out, and a 78 year old U.S. Army Veteran (who served in Vietnam) under home care to be disturbed. Around the 4:00 minute point she can be heard yelling "F--k you!" waking the Veteran who was trying to sleep. https://rumble.com/v5h9gyr-2024-oksana-1012024-yelling.html Fred/case/Oksana/divorce/video/20241002-202912_OksanaYellingAtDavid.mp4	

12	10-2-2024	Oksana texted with Frederick's friend and tenant Miss A about a scheme to put him in a bad light before the divorce Judge, possibly involving Miss A with an offer of free rent, and to somehow get a Stay Away Order to ban Frederick from his own home. Miss A's response is "Oh yeah! (sarcasm) So we can make up more crap. No, I won't." Oksana's actions, and apparent attempts, are to create so much disturbance and drama that ladies do not want to deal with him. Then Frederick would have no alternative to being with Oksana.	
11	9-17-2024	2024 Oksana - call threatening to fly 1000 miles from DC to Fairfield around 9-20-2024 to harass and wrongfully evict tenants (MP3) and to sell "her" house (Only the divorce Judge can decide if she gets the house or DC condo) "Hurricane Oksana Warning"	
10	7-31-2024	2024 Oksana - Oksana says she will make more "truth" 911 fake-assault calls, possibly against Frederick's son Luke. "There will be more assault charges" "I'm going to tell more truth"	
9	7-20-2024 Sat	**Trumped-up, self-inflicted, finger-scratch, fake-assault hoax** Oksana sought the advice of a friend, a divorcee and single mother, who drove her to go to the Police station to accuse Rick of assault (scratched finger) but did not tell them the scene of the incident. She implied that it was at the house in Rick's computer basement office around 12:00 noon, an earlier time she requested Rick's car key. Oksana is not insured for the vehicle, and crashed Rick's former Mercedes in 2003. On **July 20, 2024** around 4:00 she was in the passenger seat of Rick's Mercedes grabbing the key chain, as they drove. Rick rightly grabbed it back, to retain control of the vehicle he was responsible for driving, pulled over to the curb, and reminded her of the traffic danger of what she just did.  Oksana grabbed the ignition key chain while Frederick was driving by Everybody's Foods. 	

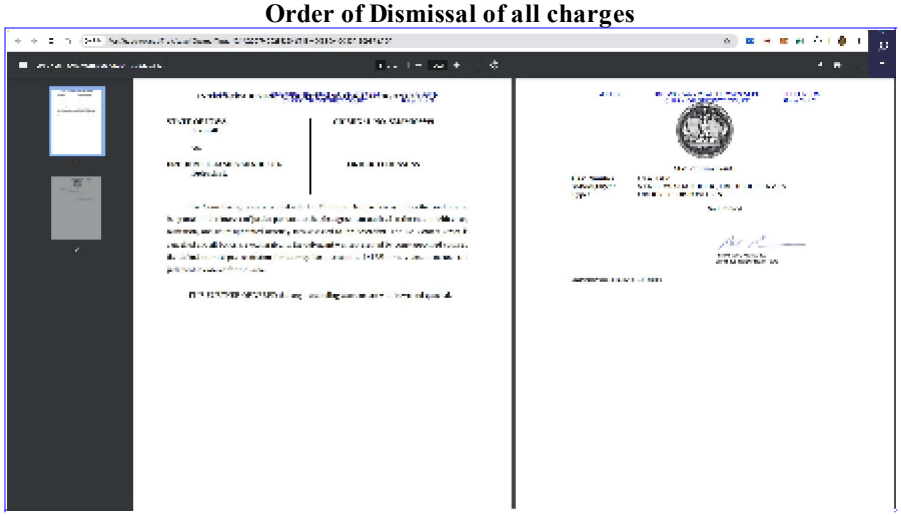

Oksana: "I want to go to Everybody's!!!"

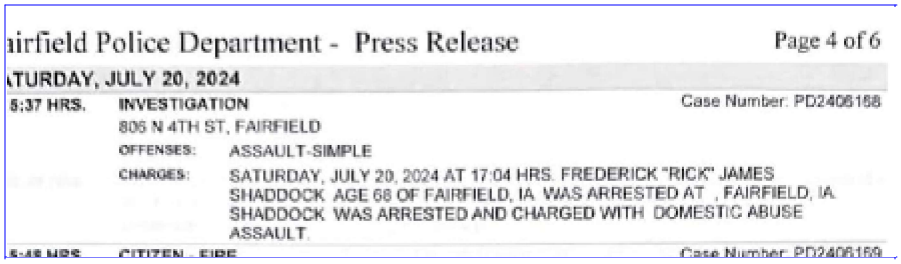

Frederick pulled the Mercedes over to the right curb to reason with Oksana.

Oksana threatens to call Police for NonEmergencies

Frederick never assaulted Oksana in their 24 year marriage (since 1-17-2001) despite considerable verbal abuse and nagging, although not as intense as yelling US Marine Corps Drill Sergeants. Fred keeps cool thanks to Transcendental Meditation.

Oksana read "Why Men Love Bitches"
even though we do not,
and some Russian marital advice books.
