AFFIDAVIT OF FREDERICK SHADDOCK

I, Frederick Shaddock, being duly sworn, declare under penalty of perjury pursuant to D.C. Code § 22-2405 that the following is true and correct:

1. My wife, Oksana, has made 32 threats to call, or actual calls to 911 for both the Washington DC Metropolitan Police and Fairfield Iowa Police for non-emergency, manipulative reasons. These have been documented on a website at http://911FakeCalls.com (Exhibit N).

2. Oksana exhibits extreme mood swings, ranging from being friendly and spending time with me to attempting to get me evicted, often within the same day.

* On 9/11/2025 Oksana called called the General Manager from our Fairfield Iowa home 1000 miles away, who called the Police in an attempt to remove me from my DC home. Two Officers (Goci & Fuller) inspected my DC license and IRS papers and affirmed that I had the right to stay. (Exhibit N1)

* On 10/30/2025 Oksana falsely claimed I was 'unauthorized' with a 'fake ID,' wasting 3 DC officers' time who again validated my residency (Exhibit N2).

3. Oksana refuses to acknowledge that our Harbour Square Condo S-316, purchased on October 12, 2012, is marital property, despite the purchase occurring 11 years after our marriage on January 17, 2001. She also does not allow me the key to our marital Mercedes Benz C230, unless I am driving her on errands for to social events.

4. Oksana enjoys full rights to our 5 bedroom house in Fairfield, Iowa, as well as our Mercedes Benz 190e. She does not reciprocate with our DC condo. Upon coming 1000 miles from Iowa to be with me in DC, she changed the lock combinations on the house and refuses to tell me the combination.

5. Oksana believes she has the right to contact the General Manager, Security, and DC Police to remove me from the apartment.
An incident on September 11, 2025, demonstrates that when police arrive and inspect my driver's license and tax returns, they confirm that I have the right to be in the apartment.

6. This confinement since September 10 risks my health at 70. I am not able to access the condo's gym and swimming pool. I have high blood pressure and have been directed by my doctor to exercise regularly.

7. Oksana has exhibited mood swings at her jobs, leading to her being let go, and she has been unable to find employment since January 2025.
Oksana has accumulated huge credit card debt and requires my financial support.

8. This situation has required me to take many hours from work to defend my self through this legal action.

I declare under penalty of perjury that the foregoing is true and correct.

Executed October 30, 2025, in Washington, DC.
