Oksana's (ridiculous) proposal

Reason for Divorce

Sadly, Frederick and Oksana had no children to perpetuate their high IQ DNA. They were married in Arlington Virginia, near DC in 2001 and lived in a 1 bedroom condo. In 2006, Frederick realized there was no room for kids and bought a family sized house in Fairfield Iowa in August 2006. He repeatedly invited Oksana to move from DC to Iowa, but she refused and insisted on living mostly in DC. Since then, they have lived 1000 miles from each other for over 1/2 the time on average, which is not good for emotional or physical health.

Frederick has the perfect family house, across the street from award winning Maharishi Children's School. He has no son to inherit his Y chromosome, computer business and house. He has a son from another marriage, who lives in
