Defendant

PRAECIPE

Pursuant to my telephone conversation with Marice Plater, this is to formally request the continuance orally agreed to, for the reasons stated herein below:

The undersigned attorney has recently been requested by the Respondent Frederick Shaddock, to represent him in responding to the petition of his wife, Oksana Shemet Shaddock.

Unfortunately, I was injured recently, falling off a step ladder, which collapsed, severely bruising my right hip. I was rushed by the Arlington County emergency ambulance, to the Arlington County Hospital. I was treated by Dr. David Griswell, MD, who determined it was a severe contusion in the lower extremity. He advised me to avoid walking more than absolutely necessary, and to stay in, off my feet. I was given the following medicine, Vicodin, Ibuprofen, and a salve to relieve pain and swelling. I was provided with a walker, since I cannot walk without assistance. I am still being treated by the hospital, and have not been released from care.

I respectfully ask for this continuance, and have notified the counsel for the plaintiff.

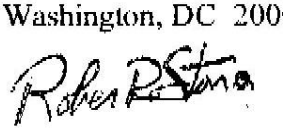

Sincerely,

Robert. R. Stone, (DC Bar #139725)
