WELCOME TO FRANKLIN SQUARE LAW GROUP

Dear Mr. Shaddock,

At Franklin Square Law Group, we establish close relationships with our clients and treat every case with individualized attention and want to start by thanking you for selecting us to represent you in your legal matter. Due in part to the COVID-19 situation, I moved with my family to rural New Hampshire, and now work on matters remotely, with Christopher Viviani, who lives in North Bethesda, Maryland, who "sees everything", and appears in any in-person court appearances in the District of Columbia area. Although I have enjoyed travelling back and forth from New Hampshire to the District of Columbia for matters, and defending a deposition in North Carolina, and conducting a five-week trial in Oregon, the limiting of "physical" travel, can provide for more efficient operations. Rest assured, remote work will not impact the quality of the representation and you will receive the highest level of advocacy from me despite the unfortunate circumstances.

Christopher and I will be primarily responsible for the conduct of your case, but because we are often in court or otherwise unavailable at particular times, our paralegal, Keelian Kraetschmer, will be your main point of contact. If you are unable to reach us, and you have any questions or concerns, please feel free to contact Mr. Kraetschmer at keelian@lawgroupfs.com. Our office hours are 9:00 a.m. to 5:00 p.m., Monday through Friday. In the event we are unable to take your call, please leave a message and your call will be returned promptly. Thank you again for entrusting Franklin Square Law Group with your legal matter. We look forward to working with you.

Yours truly,

Tyler Jay King, Esq.
